

ANMOL SHIKSHA YEARLY REPORT 2020

To educate and empower village girls in order to put them on equal footing with men in education and vocational pursuits

Highlights of 2020

July 2020

Precautionary measures during Covid-19 pandemic:

We reopened classes after the lockdown was lifted in July, however, with necessary precautions and as per the COVID guidelines set forth by the government. We ensured that children sanitized hands regularly, wore masks, and followed the rules of social distancing.

Further, to create awareness about COVID appropriate behaviour among children, we conducted an essay writing competition on precautions to be taken to prevent the spread of Corona virus.

English class by Shilpi:

We resumed English classes and Ms. Shilpi Sinha conducted sessions on storytelling through puppetry. Children enjoyed making puppets and creating characters for their stories.

Online classes by Aztec:

As online classes continued to stream for Women's Team in Khanyara, Aztec came forward to extend support by conducting online classes for other subjects too. Aztec employees volunteered to facilitate online classes on weekends as well. Students were excited to attend these classes and shared their experiences. It is proving to be a great learning opportunity for children.

August 2020

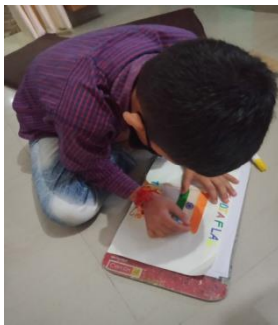

Rakhi making:

Children made rakhis using beads and colourful thread. It was a fun-filled activity.

Flute decoration:

Children made flute with wooden sticks and embellished it with colourful paper and decorative material.

Flag making with ice-cream sticks:

Children celebrated India's 73rd Independence Day by making tricolour flags with ice cream sticks. Aztec team distributed chocolate among the students.

Classes by Aztec Team:

Shilpi Sinha teaches English: Shilpi continues to teach English in the most engaging and inspiring way. She encourages children to read and refer dictionaries (English to English and English to Hindi) to understand and learn new words easily.

Santosh Pawaskar teaches mathematics: Santosh teaches mathematics in a simple and easy to understand manner. He has covered topics that are a part of the school curriculum.

Kajol teaches history: Kajol is immensely patient and teaches with love. She ensures each student understands the topic thoroughly.
